## **2022 YTD STATISTICS**

**841 KITTIES SAVED**

**611 KITTIES ADOPTED**

Once again this year, I am honored to serve as founder and Executive Director of Loving Care Cat Rescue, Inc. To be part of the continued growth of this organization is a source of great pride.

Loving Care Cat Rescue is a rescue organization that never puts a price tag on the lives of the cats we save. We provide medical treatment, regardless of the cost, as long as the result is a safe and healthy future for our cats. A lofty goal for sure, however, we have never wavered from this goal.

Loving Care Cat Rescue is celebrating 6 years of service to the community and the cats and kittens that need us. I am pleased to report that we have saved 3,341 local cats and kittens as an all-volunteer rescue over these six years. Sadly, the need for what we do is greater than ever, and the impact on our funds grows exponentially.

From January through October of this year, 841 cats and kittens were provided with preventive medical care, spay/neuter surgeries, and emergency care as needed. We are proud to have 611 adoptions so far this year and are hopeful that our adoption success continues. Donations given and revenue earned made the preparation for these adoptions possible. To provide a better understanding of the scope of this effort, the rescue paid over \$168,000.00 during the first 10 months of 2022, for medications and vet care, which was an increase of \$65,000 from last year.

May I ask you to please consider assisting us with our life-saving efforts. While fundraising events help us to spread the word about LCCR, most of our budget is funded by the contributions we receive from our generous donors.

**Donations can be made via our website [www.alovingcarecatrescue.org](http://www.alovingcarecatrescue.org)** through credit card, PayPal or Venmo) or by using the mail-in coupon found on our "Faces of Rescue 2022" flyer, which highlights just a small sampling of the adorable cats and kittens that were in our care throughout the year.

With my deepest gratitude,
